

# Invoice and Payment Terms Policy

## 1. Invoice Payment Deadlines

All invoices issued must be paid within 30 days from the invoice date. This maintains consistent cash flow and reduces outstanding financial exposure.

## 2. Late Payment Penalties

Invoices overdue by more than 30 days incur a penalty of 5 percent of the outstanding balance. This penalty accumulates monthly until payment is received.

## 3. Credit Hold Conditions

Accounts with invoices overdue by 60 days or more will be placed on credit hold. No new orders will be accepted until overdue balances are settled.

## 4. Partial Payment Policies

Partial payments are accepted but do not exempt the customer from late fees on outstanding balances.

## 5. Payment Method Acceptance

Payments may be made via cash, major credit cards, or approved bank transfers only. Alternative methods require prior approval.

## 6. Invoice Dispute Resolution

Any invoice disputes must be submitted in writing within 15 days of invoice date. Disputes beyond this period will not be considered.
