

Discount and Refund Policy

1. Customer Discount Eligibility

Customers classified as VIP receive an automatic 15 percent discount on all orders up to \$5,000. Premium customers enjoy a 10 percent discount. Standard customers do not receive automatic discounts.

2. Refund Processing Timeframes

Refund requests must be processed within 14 calendar days of receipt of returned items. Delays beyond this period require manager notification.

3. Refund Approval Limits

Refunds exceeding \$1,000 require senior management approval to mitigate financial exposure.

4. Product Condition for Refunds

Refunds are only granted if returned items are in new or like-new condition and accompanied by proof of purchase.

5. Restocking Fee Policy

A restocking fee of 10 percent applies to all returns not caused by shipping or quality issues.

6. Discount Impact on Refunds

If a discounted product is returned, the refund amount will be adjusted by the discount percentage applied at time of purchase.
