

Customer Service Response Policy

1. Response Time by Customer Tier

VIP customers must receive initial responses to inquiries within 4 hours during business hours. Premium customers are guaranteed responses within 8 hours. Standard customers will receive acknowledgements within 24 hours to ensure high service levels.

2. Resolution Deadlines

All customer complaints must be fully resolved within 72 hours regardless of customer tier to maintain satisfactory service standards across the customer base.

3. Account Activity Verification

Customer accounts flagged as inactive for more than 180 days must be reviewed and reactivated only after confirming customer intent and identity verification.

4. Priority Support for Active Accounts

Only accounts marked as active qualify for priority email and phone support. Requests from inactive accounts will be addressed after account reactivation.

5. Customer Identification for Service

Customer identification must be verified using at least two data points, such as primary email and phone number registered under the customer profile, before any account-sensitive operations.

6. Escalation Procedures

Complex or unresolved customer issues must be escalated to a supervisor within 12 hours of initial contact to ensure timely remediation.
